Parade lines up at Townsend Shell 10:10-10:30am

**Trail Funding and ATV Clubs**  
ATV/UTV Trails are funded solely by owners registration fees and a small transfer of the gas tax based on average usage of machines for off road use. There are no general funds used for trail construction or maintenance. The five clubs responsible for trails in Oconto County (see club ads above) spend thousands of volunteer hours per year so that owners can have a great place to ride. They urge you to visit www.ocontocounty.org. Click the trails logo and find links to the clubs websites. All clubs welcome new members and post information about club activities and events on their sites.
