

## 2026 Newsletter #2

**GREETINGS:** Hope everyone is having a great summer and are enjoying another fun year riding the ATV/UTV trails.

**UPDATE ON NEW TRAIL:** The construction along Hwy 64 from Fish Hatchery Road to Cemetery Road has begun, all the trees that needed to be removed are complete and the contractor to build the trail has started working on the new trail. This portion of the new trail should be completed by the end of September or early October. The other part of the Trail from Traxel Point to Fish Hatchery Road is being worked on also. The gates that need to be installed and the minor work will also be completed by the end of September. It looks like this connection will open in the Spring of 2027.

**FUNDRAISER:** We had a very successful fundraiser again this year. The attendance was over the top and the weather cooperated. We apologize to anyone that could not get meat raffle tickets. The board will be discussing that issue and will come up with a plan to ensure more people in attendance will be able to purchase meat raffle tickets next year. The Board would like to thank everyone who attended and to all the volunteer's Friday and Saturday.

**ELECTIONS:** At our September Membership Meeting our annual elections will be held that day. The following positions are available: President, Treasurer, Membership Secretary and 4 board positions. Our Board meets on the second Wednesday of the month April - October. If you are interested in any of these positions, please reply to this email or call Jim at 920-562-7872.

**NEXT MEMBERSHIP MEETING:** Our next and last membership meeting will be on Saturday September 19th at the Schoolhouse Bar in Mountain WI starting at 3:00 pm. We will have our annual election during the meeting. Following the meeting we will have our annual club picnic open to all members and family members. The dinner will be served around 4:30. Everything includes food and 2 drink tickets. Hope to see you there for the fun!!!
